Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked. A certification operation must annually request the continuation of its certification by following the section 205.406 of the NOP.

**The authenticity and validity of this document can be verified on [www.ecocert.com](http://www.ecocert.com).**

**Issued in L'ISLE JOURDAIN**

**On:** 6 February 2018

**Renewal due date:**  
**(when the certified operation must submit its annual update)**  
1st August 2018
